COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

The Statement of Reasons for Allowance quotes language from claim 1 and erroneously indicates "as can be found in all independent claims." Applicant notes that each of the allowed claims of the applications sets forth an independently patentable invention. To the extent that the Statement of Reasons for Allowance uses language not identically appearing in the claims, the claim is not limited thereby. The Statement quotes language in claim 1 that does not appear in all the independent claims. The other claims are allowable for reasons other than or in addition to those set forth in the Statement.

Respectfully submitted,
